

Scheduling League Games at USA of Indiana Fields

When you are scheduling or rescheduling games, or when you attend the team's league scheduling meeting, ideally with Coach, but at a minimum with Coach's personal calendar avails:

Please be sure you only schedule games when USA OF INDIANA fields are open to host the game.

When you attempt to schedule when USA OF INDIANA fields are closed, your good work may be wasted, as the league will reject the game. Then one must start the scheduling process anew for affected games and the process becomes slow and cumbersome via email and phone; instead of the ease of "sitting" next to the opponent at the scheduling meeting. Plus your preferred dates may now be unavailable with the opponent.
